scattering the burning oil over the floor. Her dress caught fire, and she might have been burned to death but for the prompt action of Rottman, who tore the burning sand you may say that lied very sanguine of the resuit.

"The Governor listened to me attentively and assured me that he would give Harris's case a mist careful consideration, which is all that I could ask, for I feel confident that when ne comes to look into the matter he will feel as nine-tenths of the people in this yichity de.

"I think the fact that four of the jurymen who convicted Harris signed the petition, as well as many prominent men from all parts of the State, such as Clarence A. Seward, Judge Fish, Edgar M. Johnson, Robert L. Cutting, the District-Autorneys of Erie and Saratoga counties, will make some impression.

"I did not press the Governor for a pardon of for a commutation of Harris's senience, continued Mr. Howe, "but simply asked for Executive clemency, leaving it entirely with the Governor as to the manner in which he would exercise it should he take a favorable view of the appeal. The gives the case the careful considerable."
